

ARIANE GRUNDMANN

Keynote Speaker, Presenter, Facilitator, Expert for Transformation & Communication

What we can learn from the Danes:

Nordic qualities for business, leadership, life

Simplicity, Freedom, Community, Flexibility
Why CEOs from the Northern countries are represented above average in the TOP 100 and what they do differently in leadership, management and cooperation.

Best practices of our Nordic neighbors in the field of business, leadership, life, success.
Ariane Grundmann lived in Denmark with her family for five years and worked together

with sister-companies in Norway, Finland, Sweden, Iceland, Lithuania, Latvia and Estonia during this time.

For Ariane Grundmann, this Nordic-Scandinavian phase was a phase of special growth. In the affectionate and familiar but still distanced consideration of our Nordic neighbors, a lot can be discovered.
